

Rehabilitation Services

Experience counts when you are seeking help to regain a state of physical well-being. At Huntsville Memorial, we are proud to offer some of the most seasoned, experienced, and licensed staff available to help you. Our rehabilitation team consists of:

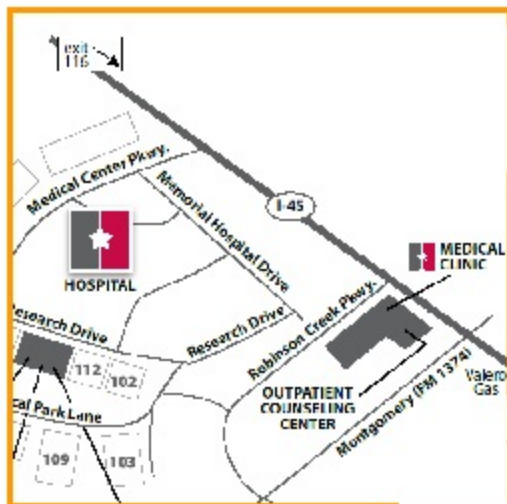

- Physical Therapists
- Occupational Therapists
- Speech Therapists
- Athletic Trainers
- Registered Nurses specializing in Cardiac and Pulmonary rehabilitation

With state-of-the-art equipment, we can address your specific rehabilitation needs whether it is when you are an inpatient or after you go home and need continued care.

For more information on the Inpatient Rehabilitation services and programs at HMH, please call 936.435.7522. If you are interested in learning more about how you can be referred to our Outpatient Rehabilitation Program, please call 936.291.4300.
